

Wincanton Primary School PTA Newsletter

The PTA really appreciates your support to raise funds for Wincanton Primary School. All generated profits are thoughtfully reinvested back into the school which will benefit our current pupils and those in years to come.

We warmly welcome anyone who would like to help out, no matter how little or how much you can offer your time.

Anyone is welcome to come along to an informal meeting. Remember the 'helping hand card' is always available from reception; Jot down your contact details and how you might be able to help out.

We thank you all so much for your continued support. We have a great team at the moment and have welcomed some new members. Leave your contact details at the school office if you want to join in and help out, thank you!

The PTA Committee would like to pass on a huge thank you for all the incredible support which has helped us to raise a great deal of money for our school.

We couldn't have done it without all the volunteers that have helped us along the way, and the regular volunteers that are always happy to help at the events. A huge thank you to all the parents, guardians, grandparents and staff who have helped come and support the events. Your continued commitment is very much appreciated and your kids will thank you for it.
