

Wincanton Primary School PTA Newsletter

The PTA really appreciates your support to raise funds for Wincanton Primary School. All generated profits are thoughtfully reinvested back into the school which will benefit our current pupils and those in years to come.

We warmly welcome anyone who would like to help out, no matter how much or how little, you can offer your time.

Anyone is welcome to come along to an informal meeting. Remember the 'helping hand card' is always available from reception- jot down your contact details and how you might be able to help out.

We thank you all so much for your continued support. You have helped us raise a tremendous amount so far!

LAST MEETING: 27th March at 7:00 pm -
