Do you like Diary of a Wimpy Kid or even Tom Gates books? Then look no further!

Loki is known for being a mischievous yet highly clever trickster and doesn't like to follow any rules. Due to his bad behaviour, Odin has banished Loki from Asgard to live a normal life as a school boy on Earth. Despite being sneaky yet evil character, Loki is not prepared to behave and to make matters worse, Thor (his brother) has been asked to tag along and keep an eye on him. Will Loki ever make it back to Asgard?
