Sam Wu is NOT afraid of Ghosts by Katie and Kevin Tsang

Recommended by Mrs Marshall

This is a very funny book, the first in the Sam Wu series.

Sam Wu is a young boy who is NOT a scaredy-cat (except he really is). When a trip to the Space Museum does not go to plan, Sam begins a mission to prove to his friends and the school bully, that he is a fearless and brave space adventurer.

Read this brilliant story to find out how successful Sam Wu is and to find out about all the other things that he is absolutely NOT scared of.
