The Elephant by Peter Carnavas

If you enjoyed *The Boy Who Grew Dragons*, then *The Elephant* is for you (even your grown-ups)! Olive worries about the Elephant that wanders around with her father. It's heavy, weary and weighs him down.

Along with her loyal best-friend, Arthur, and her adventurous, fun-loving grandfather, Olive hatches a plan to get rid of the Elephant once and for all. Full of hope, Olive shows everyone how the little moments of joy can bring great happiness to others.

Find it in the school library!
