Willow and the Whizzy Pony

By Olivia Tuffin

If you're pony mad, get your jodhpurs on as this will be an amazing book for you to read. Saddle up and let your mind drift into an amazing adventure.

Luna the chestnut pony needs to save her best friend Fable. Fable is trapped in the prickly bushes and together Luna and her owner Willow need to rescue her. Using their close bond, riding skills and super speed, will they be able to save Fable?

This is just one in a series of books so get prepared, put your riding hat on for more pony adventures. Out of ten I would give this book

ten out of ten as it is really funny and exciting too.
