Dear Applicant

RE: Class Teachers

Thank you for your interest in our current teaching vacancies.

We are seeking a talented teacher to join our team on a temporary basis following changes to our senior leadership structure after Christmas. This post will support the school during an interim period while governors appoint a new Headteacher, due to start in September 2027.

We are also looking for a teacher 1 day per week, working in Year 6. This post is a permanent job share.

Wincanton Primary School is a large school, with 389 pupils currently on roll. The school serves a mixed catchment with higher-than-average SEN and pupils with Pupil Premium.

Staff are committed to our values of Teamwork, Independence, Creativity and Challenge and are focussed on ensuring the pupils make good progress through our cross curricular approach.

We are passionate about how children learn and have written a curriculum which embraces a variety of values and experiences. We are looking for teachers who share this passion for hands-on, interactive teaching that motivates and ignites children's desire to learn in their play. Children should feel confident in their learning environment to take risks and experiment with their own theories and practises. If you feel this way about learning and understand the rigour that is essential to ensure standards are achieved through this approach, then we want to hear from you!

We are looking to progress further and give our children the excellent education they deserve. Through close monitoring and pupil engagement, children are aware of their strengths and the areas they need to develop. Teachers are skilled at adapting learning experiences to meet the needs of the children in their care and through the careful deployment of support staff, ensure that good progress is made by all children.

We work extremely hard with parents and children to ensure they achieve all they can. The school is well supported by the local community as it has begun to draw on their skills and knowledge through the introduction of our new curriculum.

I hope you find the information pack helpful. Please feel free to call the school if you have any questions or to arrange a visit.

I look forward to meeting you and receiving your application.

Yours sincerely

Graeme Wilson
