

25th April 2025

Note from the Head...

Welcome back to our summer term and all we have planned. This week children have started their hooks with Year 1 off to Old Wardour Castle, Year 5 looking at the Somerset Levels and the discovery of a Bog Man, Year 4 had a drama day yesterday looking at folktales, and Year 3 shadow making. More to come in the following week!

Next week is our "Say NO to Racism," where we will be looking at and celebrating the different cultures around the world, but also what racism is and how we can prevent it happening in our community.

Children will take part in PSHE lessons, assemblies and read a range of texts from different historic people and cultures, to help broaden their understanding and acceptance.

We have lots planned for this next term, but these next few weeks are focussed purely on preparing our children in their studies. Again we ask for as much support at home on the basics of Reading, Times Tables, Spellings and Maths homework. Completing these activities means we can focus on the more challenging areas of the curriculum and you child will feel confident in their abilities to access this.

Finally, many people are asking about our Ofsted Inspection results. We are awaiting the report form the team and will publish it as soon as we can. Looking forward to a wonderful summer term filled with learning and fun.

Best wishes

Graeme Wilson
Headteacher

Attendance

Attendance this week is a huge 96.2%, Thank you to all who helped make this happen, would be great if we could stay up there for next week.

5 Reads Champions

This week's reads are:

Class	No. of children with 5 reads
Pluto	19
Mercury	8
Earth	13
Venus	13
Neptune	13
Mars	10

New Library books

This week, we are excited to add lots of new books to the library. Following our book fair, School Council did a fantastic job of gathering ideas for books and we were able to spend the £756.23 that we earned. Thank you again for supporting us and buying books to allow for this to happen.

Vision and Values Questionnaire

Please use the link below (or the QR code) to access our vision and values questionnaire. We are seeking parent views on the proposed new vision statement and school values. If you are able to complete the questionnaire by next Friday we would be most grateful. The survey takes a maximum of 5 minutes to complete, but will allow us to reflect the voice of the parent body in this important exercise. Thank you.

Well Done Medals

- **Rowan** in Sun Class for telling his version of the story imaginatively on our Hook Day.
 - **Hazel** in Moon Class for amazing work and participation in our Hook Day acting workshop.
 - **Sofia** in Apollo Class for producing a brilliant advert for a broken clock, when learning about digital alterations – Well done!
 - **Elouise** in Asteroid Class for always putting 100% effort and determination into her school life with a positive attitude – Well done!
 - **Jacob** in Galaxy Class for his brilliant work ethic and for participating more in each lesson.
 - **Reggie** in Milky Way Class for excellent skills and team work in rounders during PE.
-
- **Scarlett** in Pluto Class for talking lots about 3D shapes with correct vocabulary.
 - **Rex** in Mercury Class for trying very hard to engage in all class lessons.
 - **Noah** in Earth Class for some imaginative and thoughtful ideas for rules if he were king.
 - **Molly** in Venus Class for her creative new laws if she were queen for the day.
 - **Niamh** in Mars Class for taking pride in her maths!
 - **Phoenix** in Neptune Class for excellent teamwork in our Forest School session.
 - **Albie M.** in Saturn Class for his sensible contributions in our PHSE lesson when discussing whether there should be specific male and female jobs.
 - **Arad** in Jupiter Class for writing clear sentences using capital letters and full stops.
