Note from the Head...

It was fabulous to see so many parents this week at our Sports day and Parent's Evenings. It has been great to meet with you to share the progress your child has made this year and share the areas you can support with at home over the summer to ensure they maintain the good progress they have made to date.

Thank you to KA for hosting our Sports day and to Miss Reakes for organising and overseeing the event – I'm sure you will agree it was a great day. If there

are any suggestions that you feel would make it better from a parents point of view we would love to hear them and consider them for next year, ensuring they fit in with our safeguarding and safety regulations.

I have sent a separate letter regarding **Meet the Teacher** today. Please read and take note of the staff changes that are taking place as well as the dates for the next two transition sessions. If you are able to support your child by reminding them of the days, they are meeting their teacher, using the social story sent on ParentMail last week to guide them, it will help alleviate some of the anxiousness we all feel at times of change.

If following the visits, you feel there is something you wish to share with the school then please do contact us as soon as possible. Our aim is to ensure your child is happy and supported for their learning and looking forward to their return in September.

As we approach the end of term there are a number of events taking place – please see a reminder of all dates at the end of this newsletter for your diary.

Best Wishes

Attendance – 94.3%

A slight dip this week below the 95% mark, as the end of the school year nears, we have some great things to come to school for. Let's aim for over 95% for last few weeks.

Weather Yellow warning

Next week the temperature is due to rise again. Currently it is remaining below 30 degrees, which means it is not going to impact on the running of the school. Now we are well versed in moving around the school, classes that get a little uncomfortable will move to air-conditioned spaces throughout the day.

Please ensure your child has:

- **A sun hat**
- **Water bottle**
- **Sun cream**
- **Wearing shorts and a polo shirt (PE kit on set days)**

These measures should make the children comfortable for learning throughout the day.

There will be no authorised absences permitted.

Thank you.

Sports Day

Huge congratulations to everyone who competed in this week's sports day.

The results are in!!!

4 th Place – 997 points	Cale
3 rd Place – 1112 points	Brue
2 nd Place – 1175 points	Yeo
1 st Place – 1203 points	STOUR!!!

Congratulations to Stour on your win this year!

IMPORTANT YR6 INFORMATION

Yr 6 SATs Results

DFE have announced a delay in the releasing of the **KS2 SATs results from Tuesday 7th July to the Thursday 16th July**. This is due to an issue with the marking procedure carried out this year.

We are required to verify results prior to releasing these to parents and pupils; hoping this can be complete in a day we will aim to have the results shared by **Friday 17th July**.

Yr 6 Leaver's Hoodies

Leaver's hoodies can be worn or the last full week and a half of term. It will be too hot to wear them next week so they will be given to pupils next week to wear in school from **Monday 13th July**. Thank you to the PTA for continuing to subsidise this memorabilia for the children and families of the school.
