Note from the Head...

It has been a fabulous end to an amazing year! This week we have had Year 5 exhibiting their amazing carnival floats, made from a jinx frame and modelled on the children's own designs inspired by Somerset carnivals!

Then we built a model town of Wincanton in the hall where Year 1 showed off their sculpturing skills using printing, wrapping, collage and painting to create miniature versions of the town we know so well. The hall was quickly transformed in to a West End theatre where Year 5/6 performed two performances of their

wonderful production "Mystery at Magpie Manor." Seeing their confidence entertaining the audience demonstrated our values of Teamwork and challenge wholeheartedly.

Year 2 enjoyed a visit from Punch and Judy yesterday filling the playground with laughter and joy. Such a fabulous way to end the term.

Next week we will be saying goodbye to our Year 6 and we look forward to inviting **Yr6 parents in for the Leaver's Service at 9:15am.**

Your child will have brought home an envelope containing their end of year assessment grades as well as any national results. It has been a very successful

year, academically with many pupils making accelerated progress and outcomes being above or in line with the national figures!

Thankyou everyone, for your continued support and I wish you a very happy and safe Summer holiday.

School opens : Monday 7th September 2026

**Best wishes
