Note from the Head...

This week you will have received your child's end of year attainment and progress report with the record of attendance included. We have been focusing already on the achievements the children have made and what support needs to be put in place ready for the children's return in September to allow the children to achieve all they possibly can.

Today, **Year 5** have been designing and making their carnival Floats in their teams and meeting the making and social challenges this type of activity provides. There is a lot of creativity boosting down the year 5 corridor today!

Year 6 are busy rehearsing for their amazing production and looking forward to the dress rehearsals and performances next week – Break a leg Year 6!

We welcome our new intake tomorrow for their treasure hunt around school and BBQ with the EYFS team. This seems to be a big favourite with the children and we thank the staff for giving up their time for this to take place. Do you know where the first aid room is?!

Have a wonderful weekend and we look forward to seeing you all next week for our penultimate week of the academic year and final meet the teacher session on Tuesday!

Best wishes
Graeme Wilson
Headteacher

Attendance

School Lunches

All school lunches are available to order right up until the end of term on the ParentMail system. Lunches for the first week back need to be ordered by **Thurs 14th**

Aug at the latest, lunches ordered after this date will not be provided due to the caterers not being available to do this.

Please note as of **Sept 25** the **school office will no longer have the facility to check and order your child's lunch** should you have not done so. If your child hasn't got a lunch ordered, a phonecall home will be made asking you to provide one for that day. Thank you for your co-operation with this.
