Note from the Head...

This week we have seen our pupils complete their end of year assessments. The children have coped admirably with them showing just how much they have progressed this year. Parents will receive an end of year progress and attainment report in the final weeks of term that demonstrates the levels and rate of progress their child has made this year. It will also give you an attendance record so you can see the number of days your child has been present for.

We hope you enjoyed the opportunity to meet with your child's teacher last week and look forward to seeing you at the end of term activities. Year 5/6 are busy preparing for their production of Wind in the Willows – tickets will be available next week for allocation. Please see ParentMail for more details.

KS2 children are busy collating their portfolios ready for being home in the last week with a record of the curriculum they have covered this year. Whilst Ks1 enjoy their final Learning

experiences of the year. Year 2 have a punch and judy show to look forward to on Tuesday !

Our Year 6 pupils enjoyed their first days at secondary school this week when they attended their transition day on Wednesday. They came back buzzing ready for their next step – which is great to see.

Best wishes
Graeme Wilson
Headteacher

Attendance

Attendance this week is 93.6%, one of our lowest weeks so far 😞. Lots of term time leave being taken, please be advised all unauthorised leave will incur a penalty notice and fine. As the end of term approaches there are lots of exciting things

happening, it would be great to see all the children joining in.
