"In the Net" news

On Thursday 13th November, 10 children from Years 5 and 6 took part in the **ESFA Primary Football Competition at Bucklers Mead**. The

children were a credit to the school and came 8th out of 9 schools. Well done to all of those involved.

Netball Tournament

On Tuesday
18th November, several
schools were invited to a
netball tournament at King
Arthur's School. It was very

cold and sometimes damp but we were ready for the action and the challenge that we'd overcome. Everyone who had attended, enjoyed it very much and we had a good spread of results throughout the competition. Thanks to Faith who scored a majority of our goals and also our solid defence who made it possible for us to win 2 and draw 3, but unluckily, we lost 1 match. Overall, we finished 5th out of 7. We had an amazing time and played to our potential.

As reported by Drew, Elouise and Oscar in Year 6

Huge thank you to McDonalds and to Yeovil Fencing Company for sponsoring our new sports kits. Our teams look smart and ready for business!

Baker at hand!

Big thank you to Declan Farrell who kindly made Challah bread for the Year 2 RE lessons this week. The children loved tasting it and making comparisons to other breads, whilst learning about its symbolism in the Jewish faith.
